# ***Welcome Kiwanis Guests!***

On behalf of the Kiwanis Club of Issaquah, it's my pleasure to welcome you to our 34<sup>th</sup> annual Community Benefit Auction. Our motto is: ***Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.*** We're glad you can join us in advancing this mission.

The Kiwanis of Issaquah is a club dedicated to servicing and assisting our community. I can't express enough how honored I am to have been working with this committed and outstanding group of individuals over the last five years. I recently read in Kiplinger magazine that it was important when donating to a charitable organization to ensure that a minimum of 60 to 75% of the money they raise is used for its intended purpose. It made me smile because I know that in our Kiwanis Club almost 90% of the money we raise for charity is used to support our community; and it's an average of \$100,000 per year! Last year the money we raised was used to support many students through scholarships, Friends of Youth, Eastside Domestic Violence Program, Children's Hospital, Head Start, Child Care Resource, Echo Glen, Eastside Enrichment Program, Boyer's Children Hospital, Tent City, Relay for Life, Earthcorps and Mountains to Sound Greenway just to name a few.

This year we are very pleased to have Issaquah Community Services as our fund-an-item recipient tonight and I urge you to generously respond when asked to "raise your paddle" for this vital Issaquah agency.

So, today during our 34<sup>th</sup> Community Auction, feel good about spending lots of your money because you know that every dollar spent today will help support those in need in our community.

Please enjoy the evening. After all, the *other* motto of Kiwanis is, "We make noise; we have fun."

# Issaquah Community Services

## ICS

Dear Friends,

Issaquah Community Services is honored to be chosen the as Kiwanis Fund-an-Item partner for the 2011 Community Auction. Issaquah Community Services is the City of Issaquah's oldest emergency financial aid provider. Since our inception in 1973 we have served thousands of our neighbors within the Issaquah School District, and your support tonight will allow us to continue to help keep a roof over the heads of many Issaquah families.

Our mission is to provide emergency financial aid in the form of utility payments, rent assistance, gasoline and food vouchers, medical help and bus tickets. We also provide referrals to other agencies, a listening ear and a warm smile.

Since our founding we have grown to a volunteer force of 25 people with a budget nearing \$100,000 annually. The need has been great and in the last couple of years alone we have increased our office hours by fifty percent to support the growing number of people seeking help.

In 2010 we handled 1,600 phone calls and were able to assist over 500 people needed emergency assistance. In a typical year 54% of funds help pay for utilities, 38% go toward housing assistance, and 8% are used for transportation, food, medical and other circumstantial needs.

We are supported by donations from individuals, with grants from the City of Issaquah and the City of Sammamish, from churches, businesses, and the Issaquah Press Merry Christmas Fund. The City of Issaquah graciously provides rent free office space and there is no paid staff allowing 100% of donations to be used for emergency assistance.

Tonight you will have the opportunity to raise your bid card and help fund our program of providing a life line in the form of emergency financial aid to our neighbors during difficult times. Please be as generous as you can so we may continue to offer support when families need us the most.

Together we will make a difference.

Sincerely,

*Marilyn Taylor*

Marilyn Taylor, President

## **Heads Or Tails Game – \$10 to play**

Everyone pays and everyone plays, but one lucky person will win a pre-determined grand prize! Here's how to play:

- The emcee will ask that one person at each table become the "banker" and hold onto the envelope marked "HEADS OR TAILS". The banker will then collect tickets from each person at the table who wishes to play with their bidder number written clearly on it.

- After the tickets have been placed in each envelope, the bankers will bring the envelopes up to the emcee. After all the envelopes have been collected, the game begins.
- Everyone who put tickets into the envelopes will be asked to stand. The emcee will have a coin in his/her hand.
- Before the emcee flips the coin, those who are standing must decide if the coin will come up “heads” or “tails.”
- Those who think the coin will come up “heads” must place their hands on their head. Those who believe the coin will come up “tails” must put their hands on their derriere!
- When the guests have placed their hands appropriately, the emcee tosses the coin.
- If the coin comes up “heads,” for example, those with their hands on their heads remain standing. Those who made the wrong choice must sit down; they are now out of the game.
- The placing of hands and tossing of the coin continues until there are only a few people left standing. Those individuals will then be asked to go to the stage and continue playing until two people are left standing.
- The last two people standing win the game, however; there will be one more coin toss to determine which one is the last person standing and that person wins the gift certificate of their choice.
- In the event of a tie, the game must continue with the two remaining participants until one person finally wins or the participants decide to share the prize.
